JONATHAN GEBALLE, President

KEEN BERGER & BRAD HOYLMAN, District Leaders

As You Know - V.I.D. was founded in 1957 and is one of the oldest Reform Democratic Clubs in the City and the first one in the Village.

V.I.D. plays a significant role in shaping a progressive agenda for the Village, the City and the State through helping to elect public and party officials who are committed to change, and by public testimony, lobbying, political action, and working with community groups and Community Boards.

Why Should You Become a Member? The future of this community depends on our collective ability to make the political process work and make it responsive. V.I.D. is committed to the values, diversity and activist tradition that make our community unique. We have proven that individuals working together can get the attention of City agencies and offices - including the Mayor's Office, the City Council, the Transit Authority, the Sanitation Department, the Police Department, the Department of Transportation - as well as the leadership of the Democratic Party.

In the Village Independent Democrats Your Voice Will Count!
